Do you

when...

the 1990s, the number of people in the UK with a mental health problem has increased by 50% (Mental Health Act 1983, 1993).

There is a growing awareness of the need to address the needs of people with mental health problems, and the importance of the role of the primary care team in this. The Department of Health (1999) has identified the need for a 'new paradigm' in the way that mental health services are delivered, and the importance of the role of the primary care team in this. The new paradigm is based on the principle of 'care in the community', and the importance of the role of the primary care team in this. Congratulations to Hanover Central High School for being the 2011 IHSAA Class 2A State runners-up in Baseball. These words, heard over the speakers at Victory Field in Indianapolis, set off a flood of emotions for the players, coaches, and fans as the Hanover Central Baseball team completed their record-breaking 2011 season.

Although falling short of the ultimate goal of a state championship to South Spencer by a score of 8 to 1, the Wildcats put together an outstanding and exciting run through their 2011 baseball campaign. Finishing the season with a record setting 22 wins against 6 losses was the product of a lot of dedication, hard work, and tears throughout the year.

During the season, the Wildcats stormed through the PCC competition, winning both the tournament and the Round Robin schedule without a defeat. This was a first ever double sweep for the baseball squad. Providing much of the spark for this feat, the following players earned All-Conference Honors: Andy Wellwerts, Nic Sampognaro, Nick Bollenbacher, and Zac Maciejewski.

The Wildcats started their road to state by first defeating rainy and miserable, hot and humid conditions to win the first Baseball Sectional Championship for the school. Andy Wellwerts struck out 12 batters, leading the Wildcats past Bishop Noll by a score of 6 to 3 with Nick Bollenbacher, Nick Spangler, and Dan Stum providing the offensive drive to take the team into the Sectional Final. Coach Nelson received the first of many gatorade baths of the state series as the Wildcats powered past Wheeler 13 to 8 behind a strong performance on the mound from Nic Sampognaro. The offensive fire power in this win came from Tyler Trepton, Mike Balich, and Nick Bollenbacher.

Making History

At Regionals, the Wildcats once again had to battle the weather as well as the opposition. In a hard fought 11-inning thriller, Wellverts again pitched superbly with Trepton finishing on the hill for the Wildcat 9 to 5 victory over Westview. Mike Balich's mammoth 3-run homer blasted the Wildcats into the Regional final game. Balich had a career day driving in 5 runs and an earlier triple. The Wildcats poured it on in the championship game, snaring the school's first Regional Championship and downing Eastside 10 to 2 behind the arms of Trepton and Sampognaro. Stum opened the gate with a two-out single in the sixth inning that enabled a flurry of hit bat-men and Zac Maciejewski's 2-run double slamming the gate for the win. Nick Laing threw in a web-gem catch robbing an Eastside batter from a home run early in the game to help pump up the Wildcats' faith. Coach Nelson received another much appreciated gatorade shower.

Being just one game away from the school's first ever berth in the state finals for baseball, Wildcat fever was running high. In an outpouring of support the fans and community rallied behind the team. In a nail biter, the Wildcats squeaked out a 4 to 3 victory with another Wellverts' gem on the mound over Taylor to capture the first ever Semi-state Championship for Hanover Central. Trepton's 2-run single provided the scoring that propelled the Wildcats to their first state appearance. Of course Coach Nelson received his traditional gatorade dousing with Coach Szanyis included this time.

During the summer, some students from our school vacationed to far off places, such as Spain, Portugal, Brazil, Honduras, and the Bahamas. Many of these teenagers had the experience of a lifetime: meeting new people, seeing new places, and experiencing the cultures of other countries.

B.K. Sakelarlis went to Brazil during the summer to play soccer for the People to People Organization. She stayed there for two weeks. She loved the beautiful beaches but found it odd that all the men wore speedos! Her most memorable moment was winning the soccer tournament.

Brittany Gleason went to the Bahamas for a week long family vacation. "It was really fun, and everyone was friendly, except the shark that swam next to our ship!" laughed Gleason.

Morgan Von Thaden went on a mission trip with members of the Deer Creek Christian Church to Honduras for one week. They generously donated food to the orphans and enjoyed activities with the children like puppets and giving them a play. It was a memorable trip that had many great experiences.

Hayley Hartsough went to Spain and Portugal for two weeks with her youth group for the World Youth Day. She enjoyed being involved in the culture and the gathering of over three million teenagers worldwide.

This year the Varsity Girls Soccer team made an impact on Hanover History. The girls lived up to the challenge their coach issued to them last year: to improve their record. They ended the season with a 15-2 record. The team was the NWISC Conference and Sectional Champions.

As one of the leading scorers, Blayr Poston scored 33 goals this year. "My mind set was always to play forward to get the ball into the net. I didn't feel any pressure because I always had teammates I could count on if I needed help. We worked quite well because we were all pretty close to one another. What stood out the most was how well we played together and the passion all of us had to play the game."

Kaylin Fanta played midfield this year. "I remember the Hebron game the most. We went into a shoot out, and I scored my first penalty kick. It was scary. As a team, we spent a lot of time together."

"We always have a pasta party before the Lowell game, and it's always my favorite." Kirsten won the dance off this year, with Ivy taking second. The seniors had a lot to do with the team's success this year. "We had a lot of good leaders to help us through the season. I will miss the seniors."

Senior Caitlin Schmal helped lead her team through this season as one of the captains. "This was by far the best season we have ever had. Every single accomplishment we had was a team effort. Everyone contributed, and every single girl on this team was needed. We worked hard all season, but we had a lot of laughs too. We had a winning season, won our conference, and took home our first Sectional title ever. It's a lot to be proud of. We made a statement this year to other teams and proved how good we really are. Our season may have ended, but next year the team will be coming back with greater goals to strive for."

Lady Wildcats Come Out on Top

Goalie B.K. Sakelaris blocks a shot by Abby Martin on a corner kick.

On October 8th, the Girls Varsity Soccer team traveled to Wheeler High School to play in the Sectional Championship game. Goalie B.K. Sakelaris was a nervous wreck. "I thought I was going to puke. It was like freshman year all over again."

Senior Captain Kirsten Nirtaut "felt very proud of our team's accomplishments going into the Sectional Championship game. I felt confident in our team that we would beat Wheeler since we beat them in our season, even though it was one of the toughest teams we had played. We started out ready to win with Blayr Poston scoring our first goal. We then defended and kept control of the ball."

Freshman Melissa Balkema jumps for a header while Sam Harrison waits for the ball to hit.

Then Wheeler scored to tie up the score. B.K. says, "I knew Kirsten and Blayr would score. I wasn't too worried. I knew my teammates, especially my defenders, would get us through it. After all, you know it's going to be a good day when Caitlin finds like 15 four-leaf clovers before the game starts..."

Kirsten wasn't very worried either. "With 16 minutes left in the game, the only thing I was thinking was that we needed to score now, and there is not going to be an overtime! I passed the defense and kicked as hard as I could. I watched the ball go right through the goalie's hands. We knew we couldn't let anything through. This 2-1 win meant everything to our entire team."

B.K. was "So happy, we left everything on the field. When I made the stop at the end of the second half, I knew it was over. We made history. We won our very first Sectional Championship title ever."

Kirsten Nirtaut and Summer Partison work together to block out a Wheeler player and steal the ball.

Student Body Sends Girls off to Regionals on a Loud Note

During 6th hour on October 14, the entire high school gathered in the gym to send the Varsity Girls Soccer team and Cross Country runner Taylor Hillegonds off to Regionals the following day.

Nick Myszkowski, Vince Brazzale, and Carlos Capetillo show off their school spirit.

Kelsey Elder found the pep rally to be really nice and a great way to honor our athletes going to Regionals. Each class got to yell to see who was the loudest, and t-shirts were thrown out into the crowd by the athletes.

Kevin Besa says, "It was actually kind of fun. We all had the chance to scream before homecoming. We even got to yell 'GO HOME FRESHMEN' early this year. We found out that our senior class this year lacks some school spirit. All the other classes out yelled us. But that was just practice. The Seniors were just warming up for Homecoming."

The girls fell short at the Regional match up against Argos. They had a great season with 15 wins and only 2 losses.

Taylor Hillegonds and BK Sakelaris watch the crowd go wild.

Making an Impact on Hanover History

The Seniors: Kyle Rauguth, Shane Dominguez, Andrew Wachter, Lucas Lager, Ty Illiovici, Andrew Utz, and Sergio Arreola pose for a group photo.

Starting the season with a new coach, the Boys Varsity Soccer team had no clue as to what to expect this year. Freshman Alec Nirtaut says, "The team was nervous, and no one expected much from the season. A lot of us were just playing to play. I did everything I could possible for the team."

Junior Captain Rudy Grill did not expect much from the team either. "As a captain, I made sure everything got done. We really focused on passing. At best, I thought we would end with a 500 season, but we went 14-3."

As the season progressed, the boys won their first PCC (Potomac County) Championship. Senior Shane Dominguez says, "Winning PCC was one of the most memorable things of my senior year. It was a really big deal for our team. Some teams were not easy to beat, but we pulled it off. We also beat Boone Grove for the first time. It was a great accomplishment for our team."

Looking back on the season, Senior Captain Ty Illiovi says, "In the beginning, we had no clue and no expectations. Coach came in and opened our eyes to all possibilities. We worked hard every day. After we beat Boone Grove, we realized what we were capable of accomplishing. We then went on to win PCC and the first two Sectional wins in school history. Both accomplishments were a team effort. Both really showed how hard we worked over the year and how we came together as a team."

The boys ended their season with new determination to do better and do better next year. Ty Illiovi was the team's Most Valuable Player. Andrew Utz received the Mental Attitude Award, and Edgar Ortiz was the Most Improved Player.

All sports start at the JV level and build up from there. Mental Attitude award winner Sammy Siems feels that playing JV "helps the players more. We're able to learn better. I felt we did pretty great this year. We got a lot closer as a team, and there was much improvement. I tried to keep my teammates motivated and keep their heads up high. It would have been nice to have more games this season. We would have been more experienced. The girls didn't feel like we had enough games at all, but we still had a great time."

This year was Goalie Ivy Dawson's first year of playing soccer. "It was a great experience, and it makes me regret not playing my freshman year. We only played four games this season, which kind of sucked, but the games we played were fun. I learned a lot. Our team was pretty fun; everyone got along, and they're fun people to be around. And of course you can't forget the dance off that I won and the parties at B.K.'s house." Ivy was this year's Most Improved Player.

Minute of Practice Count

Goalkeeper Jeremy Burns said, "To me, it felt like there was more pressure playing JV. We worked together well. The offense had a lot of shots, but most of them were not followed through. We had a lot to learn. In some levels, we exceeded the Varsity, especially through communication and passing."

Alex Kritikos played defense on the JV team. "We worked really hard and tried our best. We built our team from the back forward, meaning our defense was stronger than our offense. We were there to have fun and learn so that we could be better players, and we did both those things."

Playing JV gets tough at times. "We only had six games," Hunter Buchanan points out. "And of those six we only won one of them. If we had more games, our team would have gained more experienced and learned a lot more. There was some amazing team chemistry at times, and we need to build on that as future Varsity players."

At the end of the season, Jeremy Burns was awarded with Most Improved, and Alex Kritikos received the Mental Attitude award.

Sophomore Lauren Lanham just started golf this year. "I play for fun. My sisters are on the team, and it makes things more competitive. We get along well."

Senior Allison Kubiak played golf all four of her high school years. "A lot of golf is focusing and concentrating. Golf is pretty difficult, but it was well worth my time. As a result of playing, I came to love the sport. During my involvement I have learned so much, and had the best time with my teammates, golf is my favorite school sport. I wish the season was longer, and I'm hoping to play in college. My favorite moment from this year was when I made a 30 foot birdie putt at practice, and Coach rolled over like a dog on the green because he was so happy."

Junior Jaime Frost has a lot of expectations for next year. "My goals for next year are to have a perfect season and to lead my team to Regionals. I think if we all buckle down and really focus next season, we can make it there. We all just need to take the next year seriously and be confident in our playing."

Miles of achievement

Girls' and Boys' Cross Country is a big part of Hanover Central Athletics. The Boys' Cross Country team has been a PCC and invitational powerhouse, not to mention a force to be reckoned with in Sectionals and beyond. Cross Country is an intense sport in which it takes a huge amount of conditioning and endurance. The team members run all summer to make sure they are prepared before their season comes along. One strong runner; Taylor Hillegonds, made it to Regionals this year and made her team very proud.

The Seniors spend their last year playing the sport they love while having fun while Roper, Jon Paluszak, Kevin Besa, Nick Spangler, Eric Ilada, Chris Brown, and Julian Power.

Taylor Stewart sets Ashley Yoways for a kill.

Kayla Huppenthal making a powerful swing for the team.

After each play, regardless of the outcome, the team comes together to encourage each other and maintain the momentum of the game. During both regular practice sessions, Coach Everett and his assistant coach on team building exercises, these players are focused during game play. Some may not go on to play in college, but they will always remember the experience.

Back Row: Ashley Yoways, Brinnley Thompson, Lindsay Derenneau, Taylor Stewart, Savannah Zakman and Coach Shelley Everett.

Front Row: Kayla Huppenthal, Kristen Roper, Alex Plurke, Chloe Cords, Sarah Brewer.

Alex Plavsa makes an amazing block against Whiting

Sami Brown, Kristen Roper, and Chloe Combs get ready to pass.

This was a great season for Savannah Zakman as a starting freshman on the varsity team. She plays setter and outside hitter and is an all-around great athlete. Coach Evers has high hopes for Zakman in the future.

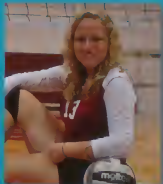

Senior Kayla Huppenhals says...
"It requires dedication, and the ability to push yourself."

Senior Brittany Thompson plays volleyball for the fun of the sport and is always the first one to dive for a ball.

Junior Alex Plavsa is a middle hitter, her strongest ability is blocking, and she says her favorite memory is dancing at practice.

Sophomore Kristen Roper tells the JV team a quote from Yoda: "Do or do not, there is no try."

Dominating The Competition

Caitlyn Machura sets the ball over for a kill.

Hayley Sərbjn tosses the ball for a serve.

Nicole Kickert found out in summer practice that she was needed as a setter on the C team and stepped up with no fear and a great sense of style.

Megan Erickson shows off her high reach as middle hitter.

Back: Franka Aiello, Dominella Paluszak, Shannon Follmar, Kally Thompson, Diane Besch
Middle: Coach Denton, Caitlyn Machura, Emily Mace, Melissa McDermott
Front: Hayley Sərbjn.

The Girls JV Volleyball team proved their talent and skills again this year with a positive record. Although there were many different personalities working on the team, they were able to work well together on the court. The JV coach, Elizabeth Denton, worked with each individual player and was a positive roll model for everyone.

The 2011 Girls Volleyball C-Team pulled a fantastic record with only 2 losses! The 2nd year C-Team coach, Carey Monroe, led the girls to pull off 9 wins in the season. Several of the talented girls were playing for the second year on this team and worked well together. The new freshman recruits were willing to work hard to earn their spots on the court. As always a few of the girls were pulled up to play JV on several occasions, and the freshmen were willing to step up in their places. Megan Erickson was one of those girls who was given the opportunity to play middle hitter in Lauren Evers' position. Erickson says, "Monroe worked us hard, but it was worth it in the end. I couldn't ask for a better coach."

All the students came to support the volleyball team in hilarious costumes that kept everyone laughing. Vince Brazzale stole the show with his rendition of Moses, parting the sea of fans at halftime. Many of the students ventured way out of their comfort zones to participate in this memorable HC event.

"We all knew this day was coming, but who would have thought it would come so fast? This chapter of our lives has finally come to an end. After this year, we will never be coming back to highschool. It is sad to think that most of us will not see each other again. We all will be embarking on new life paths and trying to obtain different goals. As we go into the future, always remember all the good times we shared at Hanover Central."

Fall Activities

Not only sports fill up time at our school during the fall. Events in school and out of school keep everyone busy. Mrs. Kirk hosted her annual Kids' Day while Dollars for Scholars brings in money for scholarships and Key Club members put on their Haunted Hall.

Eager children come to school dressed up in costumes for Kids' Days to trick or treat while students in Mrs. Kirk's Child Development class lead them from classroom to classroom.

As Homecoming approaches each year, Dollars for Scholars hosts its annual dress sale to help girls save money on Homecoming and Prom as well as contribute \$10,000 to \$14,000 in scholarships for Seniors.

Key Club members have a blast putting on a Haunted Hall at Monastery Club house. Members work together to make this a scary and fun event for children of the community. Mr. Whitacre hosted his annual western days in his honors class this year encouraging students to dress up.

Night Out in a Box is a great event. Key Club brings to Hanover Central. All the money raised during this event goes to St. Jude's House for battered women. This year, Key Club raised \$1,020 for St. Jude's House. The clever minds behind creating activities for this event were Paige Perez (chairman) and Renee Cavanaugh (co-chairman). Michelle Daker, president of this year's Key Club, received the distinguished president award. The major activity during this event suggests that students spend their night outside "in a box" to experience what a homeless person goes through. Many students participated this year and slept in tents due to snowy weather. A guest speaker was invited to speak to students about drug addiction. The students who were involved had a memorable time and look forward to participating in next year's event.

Hanover Central's Key Club has been honored in the state of Indiana as the most distinguished club and President Michelle Daker as the most distinguished president. Congratulations and great job!

Ax of Murder

Everyone's heard of a haunted house. Probably even a haunted theater. But a haunted play? Could it be haunted by the spirit of a man who died recently at the theater? No...it's not possible! At least, that's what theatre director Bonnie Bagwell tries to convince the other members of the troupe as writer Colin Chambers hints at the trail of horror that has cursed his script, *Ax of Murder*. Unfortunately, curiosity gets the best of the actors and, despite Colin's adamant warnings, they open the script and start reading the play. It soon becomes apparent the play is mirroring their theater and even the specific actors. "The play changes with each performance," Colin intones, though he's not taken seriously. But when a police sergeant shows up on cue stating he was called in on a murder, people begin to wonder. Wonder turns to fear when someone IS murdered onstage! And it seems as if no one could have done it. No one, that is, except perhaps a ghost. Your audiences won't know who or what to believe. Characters show up in all areas of the theater, running down the aisles and then disappearing. Murder weapons disappear and then show up in the worst places. Beware the twists and turns of this play. You never know what will happen next when you see *Ax Of Murder*.

Brittany Thompson gets into character while playing the role of Cassandra Tyree, a self proclaimed psychic who thinks she knows who committed the murders.

Billy Thompson played the role of Colin Chambers, the man who wrote the play and swears it is a haunted script. No one believes him...until...

Hayley Hartsough played the lead role of Bonnie Bagwell, a middle-aged woman who is very demanding and somewhat rude at times. However, she was also the voice of reason among all the chaos that was happening. "It was very fun to play her because I was able to be absolutely ridiculous and yell a lot on stage."

Well, we asked Mr. Lowry just that, after a few moments of quiet reflection he replied, "I really just pick out the songs that I like the best out of the ones I have to choose from." Band is a very versatile class. On top of the practice for band concerts, Mr. Lowry also works with the band to practice and play at home basketball games. This year Hanover Central held a parade in honor of homecoming. This parade was meant to show how much school spirit the students of Hanover truly have. Each student body class designed their own float along with various sports teams, school classes, and extra-curricular clubs. The members of the homecoming court also paired up and rode in vehicles during the parade. The parade had an excellent turnout with a large amount of community support. Each float was judged by a panel of teachers. The Sophomores dominated and came in first place for their float. Students had an all around good time at the parade.

Spirit Week is the one and only week students can truly express how they represent their classes. Each day consists of dressing up, cheering, and competing against each other. The week comes to a close with the annual spirit games, won by Seniors every year. This year's spirit week was filled with much participation from each class, including teachers. From boom boxes playing loud music in the hallway, to silly string sprayed into the crowd, all the students get rowdy.

Eric Ilada, Mike Massaro, Nick Witvoet, Kayla Garhus,
and Brittany Thompson help motivate our teams to win

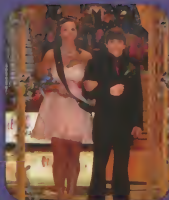

With Homecoming Week coming to an end, our Varsity Basketball teams battled Washington Township to finish up the successful and fun week. With intense play the entire game, the girls finally came out on top with a slight win of 57-51. The boys played strong throughout all four quarters and ended the night with a second win for Hanover at 59-50. The teams had the support of the student body at their backs the entire night, with them cheering and keeping the teams motivated.

Taylor Hillegonds and Aramis Martin represented the Senior class court.

Seniors Annie Lytle and Ali Sebastian wait for their walk across the gym as representatives of the Seniors.

Kristiana Martinez and Stevan Micic made their way across the gym as the Sophomore Court representatives.

Both Seniors and Varsity Basketball players, Katie Dominguez and Cam Brady stand in the Homecoming Arch.

Katie Dominguez and Paul Petrev were crowned Homecoming Queen and King at the game.

The four classes voted on which of their fellow classmates and peers would represent them at the Homecoming Game. Considered an honor, each member of the Court was introduced to all the fans between the two games, and the King and Queen were crowned. The Court of 2011 included the following:

All Hail the Court

Just before St. Patrick's Day, the student body gathered in the West gym to find out who would have to shave their head for St. Baldricks Day foundation. A contest was held and the faculty or staff member who raised the most money would have to shave in front of the whole school. There was a four way tie between Mr. Joire, Mr. Lechien, Mr. Biggs, and Mr. Yurechko who all went under the "razor" for the cause.

Appreciation for our Veterans

November 11, 2011 was a special day at Hanover Central. This day was a dedication to all the veterans soldiers who fought for our country to make it a better place and give greater chances for our generation today. At this assembly, there were song dedication, a candle lighting, and a flag folding to let these special soldiers know that we thank them for all that they have done for our country.

Tyler Illiovici lights candles for each war that the United States has been involved in.

Hanover Central's Pom team carries the flags in remembrance of past wars our country has been in and also flags for each different branch of the military.

Kyle Reppa sang a heart touching song that he wrote called "Our Soldiers" for all the veterans who changed the world that we live in and share:

Everything on this earth needs
Some sort of support to succeed
Foundations to grow
Someone to show
The way to lead
Although its not always easy
To defend our country
You never went astray
And made us the country we are today

CHORUS:

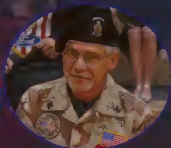

Just as houses need support beams
And great players need help from teams
And musicians need their bands
Like a bridge need its pillars
And a frame oh by its picture
Just as all life needs its water
Our country needs our soldiers

Is our home really a home
Without the ones who helped us grow
They fought for the rights of you and me
And kept their strength and stood up strong
When all just seemed to turn out wrong
Like a plant is to its seed
You guys are apart of me

CHORUS X1

Hey pay attention to the news
And pray that they come home soon
Cause every single moment
That they're not home yeah
Try to live in their families shoes

Just as houses....

Passing the ultimate test...

For ten years, both Cody and Chad Hutchinson have been participating in Taekwondo. Matt Spangler has also been involved in this sport for six years. All three of them are currently first-degree black belts and continue honing their skills every week.

Chad Hutchinson says, "I've learned not only how to practice self-defense, but also the value of having self-confidence."

To Matt Spangler, "the values I have found in Taekwondo are confidence and the knowledge of self-defense."

Cody Hutchinson has learned to respect others, as well as myself, and skills of self control. It has been an enlightening experience for me.

High School Musicians

Music is life. At least to us it is. Playing music is how we spend our time. We put it all on the line to have a good time and assuring others do as well. Between practicing for hours on end, driving far to shows, dealing with promoters, carrying hundreds of pounds of gear, and losing sleep; we give our blood, sweat and tears to our music. Although, we wouldn't give it up for anything. Even though we spend all our time and money on playing shows, it's all worth it when we see the smiling faces of everyone there. There is no greater feeling than the rush you get from seeing people enjoying your music. The local music scene is dying, less bands are forming and less people are coming to shows. With the recent break-up of The Stay Chase, the two bands Before Our Departure and APF are the two remaining groups at Hanover, with Ryan Steinberg being the only member of Before Our Departure that is a student here. With all the members of APF being sophomores and juniors here, we are the only full band. With help from bands in the area and the show promoting of ex-Stay Chase vocalist Dusty Bakker, we are trying to save the scene and maybe move on to something bigger. Becoming famous may be a crazy dream, but we are working hard so that one day maybe our signatures will become our autographs.

INDUCTION CEREMONY

What An Honor It Is

The night of October 13th, fifty-four juniors and seniors are honored when they join the National Honor Society Induction Ceremony. Of these fifty-four students, twenty-two were returning National Honor Society members, and thirty-two of them were to be new members.

Treasurer Emily Blue said, "The ceremony was special and inspiring as it recognized those who have been admitted in our school's National Honor Society. I think it helped us realize how much of an honor it is to be a part of it. We have all worked hard to be admitted, and we are going to have to continue doing that to represent our school."

To Nick Spangler, "National Honor Society means being a part of a group that stands for a greater cause than themselves and puts others' needs and wants before their own. The most important part of the ceremony to me was the lighting of the candles because it symbolizes how the light that burns inside the Honor Society's inductees was finally kindled into flames that have made them a part of the Honor Society."

Junior Emily Furnian was also one of the inductees. "Being in Honor Society is a great honor. National Honor Society in high school is the real thing and more than just saying 'I am a member of the Honor Society.' When I am wearing my t-shirt or am dressed up, I am representing my school, and I know I need to act accordingly."

Calling All the Shots

With three seniors leading the team this year, the Boys Varsity Basketball team pulled off a winning season with a record of twelve wins and nine losses. During mid season, a five game winning streak brought excitement to the players and carried them through the rest of the season. The boys came into Sectionals strong with a win against Knox, putting them into the Sectional Championship game. The boys ended their season in the Championship game against Andean.

Out of the season, junior Dan Kubiak had his highlight of "scoring 23 points against Morgan Township. I'm going to miss the seniors, and I will especially miss Coach Bollenbacher my senior year. When they went on to Sectionals, the girls had a fantastic win over Kankakee Valley, who they lost to in the regular season by four points. They made it to the Championship game against Knox, but unfortunately, they came up a little short. The girls ended the season with a winning record of 13-8, an improvement from last years 10-10 record. They all want to keep improving and become the best they can be.

This year, the JV Girls Basketball team started off their season very well. They had some pretty good wins over tough rivals. Nikki Hahn reflects on the season. She remembers "the Sectional Championship when the game was over, there was just a strong bond between every girl on the team." Nikki was also one of the captains this year, along with Seniors Emily Blue and Katie Dominguez and also Junior Danielle Schwalm. Nikki says "being a captain was a good experience. I didn't have different standards than the other players. I was just looked upon to be supportive and keep a positive attitude." Nikki would also like to add that "we had two very great seniors this year, and they will be greatly missed by the whole team."

Also a part of the JV team this year was Junior, Alyssa Howard. Alyssa "loves the girls on the team and all the fun we had together. I also love how well we worked together to make it to the Sectional Championship. We knew what we had to do and how to do it." Alyssa would also like to say that "our Seniors were a huge part of the team this year, and we all will definitely miss them next year." The girls ended their season with a winning record.

We were all like a family."

This year, Alec Nirtaut played JV as a freshman. He enjoyed "having fun with the guys and being a part of one, if not the best JV team, Hanover has had for a while. It was great having a high winning record. It was a lot of fun with the JV team. Alec says that "next year, I hope to be playing Varsity and hope that we have a 4th straight year of a Varsity winning season." He also wanted to say "thanks to the Seniors and good luck to all of you. Also thanks to the freshman squad who were a lot of fun, and I can't wait for next year's season." Shootin' for the Sky!

Kennedy Vaux during the Hip Hop routine

It was an exciting year for the Pomcats! The Varsity girls competed in the Advanced Pom and Advanced Hip Hop categories, while the first ever JV competition team at HC competed in the JV Pom category. The team of thirty-one girls surpassed every goal that was set and worked harder every day knowing they wanted to be the best.

The girls worked hard all season to perfect every minor detail in each of the three team routines. During the regular competition season, December through February, they competed in Indiana High School Dance Team Association invitational at McCutcheon, Munster, and Lake Central High Schools, as well as Grimmer and Kahr Middle Schools. Each contest consistently brought higher scores in each of the routines. The journey to Regionals brought the Pomcats thirteen trophies. During the regular competition season, the Advanced Hip Hop team was undefeated and the Advanced Pom team placed first at all but two competitions. The JV girls earned first place at their first competition and never placed lower than fourth at any of the invitationals.

Each routine qualified for Regionals, and with contest quickly approaching, the girls decided they needed to call extra practices. Each team member worked on week days and weekends to fix every minor flaw that might keep them from their ultimate goal of making it to State. North Regionals was held on February 18, 2012 at Lake Central High School. Each routine was performed with a high energy and had fans from other schools cheering. In the end the Varsity Pomcats came home as the North Regional Champions in Advanced Pom and Advanced Hip Hop. While the Junior Varsity Pomcats couldn't help but smile knowing that they had just made history as the first JV team to make it to State.

The girls worked tirelessly in preparation for State knowing the competition would be tough. They did not take a break and worked hard until the day came. They knew they could not prepare any more. Win or lose they had given all they could; it was time to go show the state what Hanover Central was made of.

The State Finals were held at New Castle High School on March 9-10, 2012. The trip to State was not uneventful, but it did not matter; these girls knew what they had to do. They performed their routines with every ounce of energy they had and proved that they would not be going down without a fight. In the end their work paid off. The Varsity team earned the titles of 2012 IHSDTA Advanced Hip Hop State Runner-Up and 2012 IHSDTA Advanced Pom State Champion! Clinching the title with a Pom score of 91.08, the highest score ever scored in the Advance Pom category. The Junior Varsity Pom team finished fifth in the state, they definitely had reason to smile. There was so much excitement in the air that even two bus breakdowns could not break these girls' spirits!

The Pomcats had the dedication, enthusiasm, and passion to overcome every obstacle they were challenged with and did so with grace and style. In the end, the team had a record breaking year filled with the excitement and memories that will stay with them for the rest of their lives. The year built a bond that cannot be broken. In the words of Phoebe Scherer, "I see them more than I see my family. We are not just a team: we are more like a family 1.5!"

He changed the lives of everyone in his community with his outstanding work ethic and love for his sport.

Coach Willems will never be forgotten. Your wrestling family will never forget you, Coach Willems, and we will remind anyone who joins our wrestling family about what it means to always work hard with a "never give up" mentality. We miss you, Coach, but we will always remember you.

Ramiro Sosa lines up to begin his match at the heavyweight classic.

After being at State twice before in my junior and sophomore years, I was not nervous wrestling at State my senior year. I knew that I had trained hard and was mentally prepared for each match. All I had to do was wrestle my match. Going into each match I felt focused and ready. I was relaxed too. Going into my final match, I already knew I was going to win. In my mind, there was no possible way that I could lose. I knew that if I did not stop wrestling and wrestled 100% non-stop until the last second I was going to win. As a result, I ended winning the match and became a State Champ like I pictured before going into the match.

It was nice that I was able to share my state title with my friend and practice partner Stevan Micic. It was nice that I was able to share it with my friends, family, and teammates too. Out of all these people though, I really wish I could have shared it with my assistant coach John Willems. He was one of the many people who believed that I could win from day one of my senior year. Before the season started, he told Stevan and me that we were going to be state champs. He whole-heartedly believed in Stevan and me. Even though I couldn't share it with him, I was still able to win it in his honor."

National Honor Society Members, Hayley Hartsough, and Taylor Hillegonds, participated in The Angel Tree to help kids have a good Christmas.

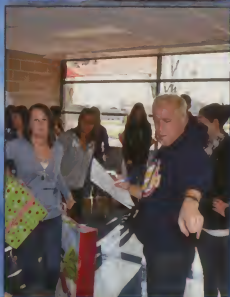

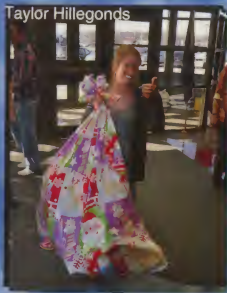

To Be Giving

This year members of National Honor Society sponsored their annual Angel Tree community service act. Members passed out forms with children's names and what they wanted for Christmas to first hour classes. Each class had the responsibility to collect money to purchase the items for the children in need. National Honor Society members then collected the presents from the classes and delivered them to the Trustees office. This kind gesture by the students of Hanover Central showed the true meaning of Christmas spirit.

On December 7th, 2011, the Concert Choir and Show Choir had their annual Christmas Concert. The Concert Choir sang "The Christmas Song", followed by a solo featuring Emily Knott singing "Breath of Heaven", and finished it out with a medley of songs also known as "Carols all Around". Show Choir started off with two solos. Hayley Hartsough sang "When Christmas Comes to Town" and Meghan Varner sang "Oh Holy Night". The whole choir then sang "Lo How a Rose Ere Blooming". Kayla Garthus then sang her solo, "Have Yourself a Merry Little Christmas". And the show choir ended their performance by singing "Irving Berlin's Christmas". After the show choir finished, the middle school choir, concert choir, and show choir gathered around the audience and sang "Carol of the Bells". It's been a tradition for years now, and everyone seemed to enjoy it. A big thank you goes out to Mrs. Denny for preparing all the students for an all around wonderful performance.

F. No, actually it is rather simple after a while. One just gets accustomed to the process. I make a game out of it.

A: The costumes are spectacular! I love my sparkled shoes.

Q: Are you going to continue participating in plays and musicals in college?

This year's track team was well noted for its close bond. With support from one another, they made great strides and accomplished both Round Robin and Conference Championships. They are extremely proud of the progress they have made together. With impressive freshman athletes, dedicated sophomores, a lone competitive junior, and several leading seniors, this track team made the perfect blend of athletes which created an exceptional group. Their season began strong, carried through, and ended with a bundle of dedicated and serious young men.

The girls continued their season setting new personal records and school records.

At Sectionals, Katie Dominguez took second place in discus with Kayla York following behind at third place, qualifying both of them for Regionals. Kayla York also qualified in shot put. Swinging for the Fences

The Varsity Girls Softball team started out their season with a good record. They had some fantastic wins over teams like Hebron, Lowell, and North Newton. What Ivy remembers most about the Hebron game was that "it was very intense. Last year, when Hebron beat us one person from their team ran into the outfield and danced, so that's what I did this year." Ivy believes that "the season could have gone better if it weren't for all the injuries and drama in the beginning of the season."

This year the Varsity had one lone senior. Katie Klopp was the starting catcher for the team. She will be greatly missed next year when she leaves to go off to college to play more ball.

Melissa Balkema was a freshman starting Varsity this year. "The most memorable thing this season would have to be winning PCC and all the exciting bus rides." She said that she is "also going to miss Katie Klopp behind the plate and in the line up." She would also like to say "thanks to the team for being nice and including me even though I'm a freshman."

Katie Klopp was the starting catcher for the Varsity team this year. She was also the only Senior on the team. She said "that it was nice knowing that I can be there for the girls and they can talk to me about anything and I can trust and set the example for them. But, being the only Senior is also kind of sad because I am by myself and I am not graduating with them."

Reflecting on the season, what Katie remembers the most "was beating Hebron, and then winning the PCC conference. Also, Senior Day was a great day because I was surrounded by my good friends and also my teammates that I have made over these short, past few years." Katie Klopp would also like to add something else. "I would just like to tell the girls in the years to come, that they need to give it their all. Leave everything on the field when you play. Put your whole heart into everything you do. Always lead by example, and be inspiring to the younger girls, so they also want to get involved." Obviously, Katie Klopp will be greatly missed by all, especially, by her teammates and coaches. They wish her all the best when she heads off to college next fall.

Freshman, Melissa Balkema, gets ready to charge a bunt.

The infield gathers at the mound for huddle before one of the innings.

Junior, Tina Zychowski, makes contact with a pitch, resulting in a double.

The Hanover Central Varsity Baseball team, coming off of a historic season the previous year, had high expectations for the 2012 season. Despite losing 5 key players to graduation, the Wildcats felt confident in the foundation they had left. The Wildcats had 4 returning sluggers who batted over .400 the previous season and most of their pitching as well.

The Wildcats had booked one of the hardest schedules in the area, starting their season with 5 games against schools twice their size. The Cats started their season 1-5 against those teams, giving an ominous feel to what could be a rough season. However; after that rocky start, the wildcats won 15 of their next 19 games! With Dan Stum, Zac Maciejewski, and Jesse Wilkening leading the way in hitting, and Dan Stum, Jesse Wilkening, and Tyler Trepton in pitching, the team was cruising through PCC play. The Wildcats clinch the Round Robin Championship for the second year in a row in a nail biter against Morgan Township.

With Zac Maciejewski, Jesse Wilkening and number 1 pick Dan Slum being selected for the All-Conference Team, the Wildcats were looking good heading into the PCC Tournament. The Cats fell in the second round to Morgan Township, just short of what would have been their third appearance in the PCC Championship in 3 years. The Wildcats then turned their attention to the sectional.

The Wildcats, now to the 3A State Tournament, were feeling pretty good about their sectional, but fell short again to KV in the second round. This game would be the last for seniors Tyler Trepton, Nick Bollenbacher, and Dan Nowak as they finish out their high school careers.

Back Row: Jake Perrera, Steven Siondema, Dan Slum, Dan Nowak, Evan Galthus, Daniel Balich, Riley Welch, Nick Bollenbacher, Tyler Trepton.

Seasons to

This year, the JV Girls Softball team started off their season with some good wins over Bishop Noll and Morgan Twp. Reflecting back on the season, first baseman, Brooke Evenhouse, "loves my team. We are all one, big, happy family and we all love each other so much." She also says that she is going to miss "all the memories that we made this past season" She also has one more thing to add, "yeah, YOLO."

Sam Britton was the starting center fielder this year for the Lady Wildcats. She loved the whole season and wishes that it did not have to end but, what she remembers most about this season is "the amazing bus rides with my team, aka, my 2nd family." Sam is really looking forward to next year. She is especially looking

forward to "becoming close again and being with everyone." Sam would also like to add that "our team was amazing; I love them all, and I miss my Kiki (Brooke). and also #YOLO"

The girls ended their season with a winning record. They hope to do even better next year.

Remember..

Sophomore, Aaron Furman, finishes on the pitch, looking for that all-important strike zone.

The JV Boys Baseball team started off their season with some good wins over teams like Lowell, Washington Twp., and Highland. Sophomore, Aaron Furman, reflecting on the season, remembers "everything." He did not forget one single game. He can't wait till next season when he gets to "play again." Aaron is pumped about

the prospects for next year. He would also like to add that he is going to "miss the Seniors very much." It was a great group of guys and they will be hard to replace.

Junior, Mike Goggans, also started for the JV this year. He remembers a lot about this past season but, what he remembers most was "seeing Steven's curve ball." He is also going to miss a lot, too. But, he will mainly miss "playing right field with Tyler." Mike would also like to add that he is "going to miss all the Seniors this year and that Coach will have to pick on someone else besides Nowak."

They JV boys ended their season with a great, winning record of 8-4. And they also had an undefeated PCC record of 2-0.

Back: Mike Goggans, Steven Sjoerdsma, Brandon Sears, Aaron Furman, Josh Wigboldy, Austin Moran.

Seniors, Trevor Thoms and Danny Novitski, have both been part of the Hanover Central golf team for two years but have golfed most of their lives. This season, both had an average score of 40 and the team placed 3rd at the Robinhurst invite, and 2nd at Crown Point. The season was also tough for Trevor because he developed a shoulder injury and had to miss sectionals.

Danny was disappointed about not making varsity, but had a memorable season. Trevor says his hardest opponent was Boone Grove, and Danny says his hardest opponent was Munster. A terrible tragedy struck the Hanover family this spring as we lost one of our own...Chloe Burks. The students and staff pulled together over the heartbreaking days that followed. We cried, we gathered together to remember and laughed at the memories we shared of our friend, sister and daughter. The mural above was created by the students and almost everyone in the building had the opportunity to read the messages and create one of their own. We love and miss you Chloe Burks, may you rest in peace.

This year parents, friends, and loved ones were given the opportunity to write letters and provide pictures for their gradating seniors. In the pages that follow you will see just how proud they are and how each one of their lives have been affected by these students. The yearbook staff hopes that this will become a tradition that will grow and blossom here at Hanover. Thank you to all participants and congratulations to our Seniors!

Morgan Von Thaden

Morgan,

We are so very proud to have you as our daughter. You are a terrific young lady and a wonderful daughter and sister. You are a giving and caring person, and we are confident that you will be very successful in the future.

We know you will just love college and can hardly contain our own excitement at this next phase in your journey. Always remember:

Wisdom is the principal thing;
Therefore get wisdom.

And in all your getting, get understanding.

Exalt her, and she will promote you;

She will bring you honor, when you embrace her.

She will place on your head an ornament of grace.

A crown of glory she will deliver to you.

Proverbs 4: 7-9

And always know we love you and are here for you.

Congratulations on your graduation!

Love,

Mom & Dad

Elisha Ellis

Elisha,

Since you were a small child you have been told you can do all things through him who gives you strength. Phil 4:13

And so as you graduate from high school, your family wants you to know we love you, and we are blessed to have you, and we wish god's greatest blessings upon you.

As you take your next step into this world as an adult, you will face many of good and bad situations, not to worry, that's life.

When faced with them, just remember Phil 4:13. Be true to yourself, love yourself, love god and all you meet with, the love of Jesus. Always remembering to forgive those who do you wrong.

Our last and final words to you is always, what ever comes your way. "You just trust in the lord with all your heart and lean not on your own understanding; in all your ways acknowledge him, (God), and he alone will direct your paths."

Proverbs 3:4&5

Kayla,

I just thought I would let you know you are the best sister any brother can ask for! Make sure you make the most of your senior year because you will miss it. I'm so sorry I can't be there for you this year; however a part of me isn't worried, because you are strong enough to be without me.

You are smart, beautiful, and also have many other "Big Brothers" there at a moment's notice when I can't be.

You will look gorgeous and amazing at prom and prom competitions. You'll steal the spotlight from everyone.

I am happy, honored, and very proud to have you as my sister.

I love you Sissy
See you soon

▼ LEGENDS ON TOUR

Rap icons Jay-Z and Kanye West worked together on a new album, *Watch the Throne*, and even went out on a brief two-month tour to support the album. With only 33 performances, the Jay-Z/Kanye concert became a highly sought after ticket.

▼ THE NEW MAN

After a public feud, producers fired actor Charlie Sheen from the popular sitcom *Two and a Half Men* and his lead character was even killed off in the show's storyline. Ashton Kutcher replaced Sheen in the cast for the new season, and the show continued to be a hit.

▼ FULL OF GLEE

Entering its third season, *Glee* maintained its status as a hit. The cast went on a live concert tour. A spin-off reality show, *The Glee Project*, also began with the winners getting a shot to appear on the main show.

◀ GREAT SUCCESSOR

The leadership of North Korea passed from father to son when Kim Jong Il (right) died of a heart attack and his youngest son, Kim Jong Un (third from right), became ruler. Although North Korean leaders called Kim Jong Un the Great Successor, officials worldwide were unsure of his readiness to lead the nation, known for its strong military and poor human rights record.

▼ CARS OF THE FUTURE

Cars powered by electricity, such as the Nissan Leaf and the Chevy Volt, became more readily available for those interested in energy efficiency. However, selling for \$35,000-\$40,000 meant the cars were still out of the price range for many.

▲ ARAB SPRING CONTINUES

The Arab Spring uprisings of 2011 continued into 2012. Egyptians returned to Tahrir Square to protest the temporary government, and violence increased when a military police officer was seen beating a woman. In Syria, more than 5,000 people died in 2011 during government protests, while the government said it was cracking down on what it called armed terrorists.

**NEW KING OF ►
THE COURT**

Novak Djokovic amazed the tennis world with one of the greatest individual seasons ever. He won Wimbledon and the U.S. Open, while compiling a record of 70-6, then started 2012 by beating rival Rafael Nadal to win the Australian Open.

◄ PAIN IN THE NECK

Indianapolis Colts quarterback Peyton Manning missed the entire NFL season after going through three surgeries to fix disc problems in his neck. Without the 4-time MVP, the Colts struggled to a 2-14 season. Manning's ability to come back became a constant source of discussion.

▲ GUESS WHO'S BACK?

After 14 years, MTV brought back its cult classic animated show *Beavis and Butthead* and began airing new episodes. A whole new generation got the chance to enjoy the dim-witted antics of heavy metal loving teens.

"We got into the water and swam to shore. I didn't really feel the water until I got out. Then, it was freezing."

CRUISE CATASTROPHE ►

At least 17 people died when the cruise ship *Costa Concordia* hit rocks close to shore off the coast of Tuscany, Italy. After the impact and blackout, passengers said they were told there was only an electrical problem. Only when the ship began to tilt did the 4,200 passengers and crew decide to get their life jackets.

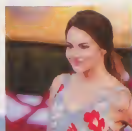

**STEWART BACK ▶
ON TOP**

NASCAR driver Tony Stewart won five races on the way to winning the Sprint Cup Championship. Stewart's title was his third Cup championship, and it ended the five-year reign of Jimmie Johnson.

▼ NO LONGER A SECRET

Popular ABC Family drama *The Secret Life of the American Teenager* capped off its third season with title character Amy Juergens accepting a marriage proposal from her boyfriend. The highly anticipated fourth season returned in March.

**◀ HAPPY HOLIDAYS
FROM BIEBS**

The raging popularity of Justin Bieber continued, as the pop star released a Christmas album, *Under the Mistletoe*, which immediately debuted at the top of the charts.

▲ ANGEL ALBERT

Sluggish Albert Pujols surprised many in the baseball world by leaving the world champion St. Louis Cardinals to sign a free agent deal with the Los Angeles Angels of Anaheim for 10 years, worth more than \$250 million.

**▲ GREAT YEAR
FOR GRIFFIN**

Baylor quarterback Robert Griffin III racked up more than 4,600 yards passing and rushing, accounted for 45 touchdowns and led the Bears to a school-record 10 wins, which was good enough to win the Heisman Trophy.

▶ GAMING IN 3D ▶

Google launched a new social networking website called Google+, which was designed as an alternative and competitor to Facebook. Google+ used "Circles" and "Hangouts" to categorize friends. In its first six months, Google+ attracted 90 million users.

▼ STILL ON THE SCENE

The third album from Selena Gomez & the Scene, called *When the Sun Goes Down* ended up becoming the best selling one yet for Gomez and her band.

"I will recover and will return, and we will work together again, for Arizona and all Americans."

Rep. Gabrielle Giffords

Source: ABC 15phoenix.com

▶ GIFFORDS RESIGNS ▶

One year after being shot at an event to meet with constituents, Rep. Gabrielle Giffords of Arizona resigned her seat in Congress. Giffords had spent the past year relearning to talk and walk after being shot in the head. She said she would recover and return to Congress.

▲ NEITHER RAIN NOR SNOW...

The U.S. Postal Service faced money troubles and looked at cutting back on services. The USPS planned to stop next-day service for first-class mail. There also was talk about closing a couple hundred post offices and mail facilities and dropping Saturday mail delivery.

▶ BELIEVE IT ▶

The St. Louis Cardinals defeated the Texas Rangers in the 2011 World Series, including a miraculous comeback in Game 6. Twice down to their final out and final strike, the Cardinals rallied both times to win in extra innings and force the series to a Game 7.

the 1990s, the number of people with a mental health problem has increased by 50% (Mental Health Foundation 2000). The prevalence of mental health problems in the UK is estimated to be 10% (Mental Health Foundation 2000).

There is a growing awareness of the need to address the needs of people with mental health problems. The Department of Health (2000) has set out a vision for mental health care in the UK, which is based on the principles of recovery, self-help, and community care. The vision is to ensure that people with mental health problems are able to live full and meaningful lives, and that they are able to contribute to their communities.

One of the key challenges in achieving this vision is to ensure that people with mental health problems are able to access the services they need. This is particularly true for people who are homeless, as they often face significant barriers to accessing mental health services. The Department of Health (2000) has identified homelessness as one of the key areas where mental health services need to be improved.

One of the ways in which mental health services can be improved for people who are homeless is by providing them with a safe and stable place to live. This is often the first step in the recovery process, and it is essential for people to be able to access this service if they are to be able to access other mental health services.

Another way in which mental health services can be improved for people who are homeless is by providing them with support and advice. This can help people to understand their condition, and it can help them to develop coping strategies. It can also help them to access other services that they may need.

Finally, mental health services can be improved for people who are homeless by providing them with information and advice about their rights. This can help them to understand what services they are entitled to, and it can help them to assert their rights if they are not being met.

There are a number of ways in which mental health services can be improved for people who are homeless. By providing them with a safe and stable place to live, support and advice, and information and advice about their rights, mental health services can be improved for people who are homeless.
